EDUCATION

Techno Main Salt Lake, MAKAUT <i>B.Tech in Computer Science and Business Systems (CSBS)</i>	Aug 2023 - July 2027 <i>CGPA: 8.16 (as of 5th semester)</i>
H.S. Memorial School <i>Class 12 (CISCE)</i>	2023 94.25%
H.S. Memorial School <i>Class 10 (CISCE)</i>	2021 95%

PROJECTS

ClassSphere - Real-Time Virtual Classroom Platform	GitHub
– Built a full-stack virtual classroom platform supporting live video sessions, screen sharing, collaborative whiteboarding, and real-time messaging using WebSockets. – Implemented role-based access control, attendance tracking, and classroom scheduling to manage end-to-end online learning workflows. – Designed secure REST APIs with integrated database services to manage users, sessions, and learning resources efficiently.	
CacheNexus - Smart In-Memory Caching Engine	GitHub
– Designed a high-performance in-memory caching engine improving data retrieval using efficient cache management strategies. – Implemented LRU, LFU, and TTL-based eviction policies using a modular architecture for different workload patterns. – Developed thread-safe cache operations with monitoring tools to analyze performance, eviction behavior, and memory usage.	

TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript, Python, HTML, CSS
Frameworks & Libraries: Node.js, React.js, Express.js, SpringBoot, Material UI, Bootstrap
Databases: MySQL, MongoDB
Tools & Platforms: Git & GitHub, Vercel, Railway, Render
Core Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks, Software Engineering, Artificial Intelligence, Machine Learning

ACHIEVEMENTS

Smart India Hackathon Finalist (2024, 2025)	2025 Certificate — 2024 Certificate
– Selected among top 5 teams nationally for solving real-world problem statements and building technical solutions under strict guidelines.	
Innovation, Design & Entrepreneurship Bootcamp Finalist (2026)	Certificate
– Selected as a participant nationally for our idea GhostProof contributing to ideation, validation, pitching, and early-stage product design.
